To The Secretary to the Government of Madras,
Development Department

Through the Accountant General, Madras.

Sir,

I have the honour to invite a reference to G.O.No: Press 691 Development dated the 12th April 1929 sanctioning the establishment of three new industrial schools at Bellary, Mangalore and Calicut. Among the arrangements made for the opening of the schools, I have appointed as Superintendent of the Trade School at Mangalore a member of the staff of the Government Trades School, Madras. This officer has previously acted as Senior Lecturer in the Madras Trades School both when the post was a gazetted and a non-gazetted one and has earned two increments in the time scale attached to that post, which scale is the same as that of the post to which he has now been

appointed. Under Rule 32 of the Fundamental Rules this officer's initial salary in his new appointment cannot be fixed by me at Rs which is the pay he drew when he last officiated in a post on the same time scale of pay unless and until a formal declaration is made by Government that for the purposes of Rule32 of the Fundamental Rules the two posts will be treated as being in the same cadre. I accordingly request that Government will be pleased to make such a declaration in the matter, as the duties and responsibilities attaching to the post in the Mangalore institution which is a replica on a small scale of the Trade School at Madras, will certainly not be less responsible or onerous than those attaching to the post of Senior Lecturer in the latter School.

I have the honour to be

Sir,

Your most obedient servant,

for Director of Industries.

2. The post of Senior Lecturer, Madras Trades School, is at present a Gazetted one while that of the Superintendent Trades School Mangalore is non-Gazetted. The two posts cannot therefore be treated as being in the same cadre as requested by the Director.

3. It is however open to Government to fix with the concurrence of the Finance Department the initial pay of the Government servant in question at Rs.240-0-0 under the note to Fundamental Rule 32, in the special circumstances explained by the Director of Industries.

Development Department.

Sir,

With reference to Government Memorandum No.1666-II/29-2 dated the 29th June 1929 I have the honour to state that the officer appointed to the post of Superintendent Mangalore Trades School had no chance of officiating as Senior Lecturer in the Madras Trades School either at the time of his transfer or immediately thereafter. Such a contingency was not possible seeing that there had been no changes in the personnel of the superior staff above him in the department.

Even if such a chance had arisen it would not have been possible to disturb Mr.N.S.Rajan from Mangalore

before he had had time to organise the school and start the classes.

I have the honour to be

Sir,

Your most obedient servant,

for Director of Industries.

Initial pay of Superintendent

Note

ff 1-2 C7 — The Director of Industries reports that he has appointed to the post of Superintendent of the Trade school to be opened at Mangalore a member of the staff of the Madras Trade School who has acted as Senior Lecturer there and earned two increments in that scale, and requests that in order to enable him to draw Rs 240/-,- the pay drawn by him when he last officiated as Senior Lecturer, while he is Superintendent of the Mangalore Trade School, the Govt may, under (F.R. & S.R.) F.R. 32, declare that the post of Superintendent of the Mangalore Trade school and the post of Senior Lecturer in the Madras Trade school will be treated as being in the same Cadre. The BG

ff 3 C7 — points out that as the post in the Trade School is gazetted and that at the Mangalore School non-gazetted, the two posts cannot be treated as being in the same Cadre but says that Govt can fix the initial pay of the Supt of the Mangalore Trade school at Rs 240/- under the

(1 19½ 4R) 2

Refer to D.R. 32, in the special circumstances reported by the Director.

2 It is submitted that a case seems to exist to start the officer appointed by the D.I., only 240/- as otherwise he will be a loser. By for appointing any other junior officer which would enable the D.I. to get over the difficulty with regard to initial pay, apparently he considers that to be entrusted with the initial work connected with the starting of the School none junior to the officer already appointed will suffice. In these circumstances, the initial pay of the officer may be fixed at Rs 240/- as suggested by the AG.

3- The remarks of Finance may be invited.

5-6-29

The pay of the officer selected may be fixed at Rs 240 to start with in the scale Rs 200 - 20 - 500 at the Mangalore School.

The posts of Supdt, Trades school, Rangalore and the Senior Lecturer, Kadur Trades school are not in the same cadre. The fact that the pay of the two posts happens to be the same is not a sufficient justification for granting the officiating pay the officer received while officiating as Senior Lecturer in the Kadur Trades school. The officer is not now officiating as Senior Lecturer with a prospect of continuance of the officiating appointment nor has Dev reported that the officer has a chance of officiating as Senior Lecturer (long leave vacancy) in the near future. In these circumstances Finance would consider that there is no case for the granting of ~~the~~ higher officiating pay

That is the point. If he has had such a chance by his appointment to Rangalore, Fin. Dept. agree, but not otherwise. Ehs

Please see the Deputy Secy.'s marginal remarks on page 3 ante. The Director of Industries has stated that the Supdt. Mangalore Trades School had no chance of officiating as Senior Lecturer either at the time of his transfer or immediately thereafter. There is therefore no case for the grant of the concession proposed in the matter of the medical pay of the Supdt. Finance have already expressed this view and the case need not therefore have been sent again to this dept.
